

Welcome to 1-5!

Dear Parent/Guardian(s),

I am very excited to be your child's teacher this school year! My name is Danielle Housler and this is my tenth year teaching first grade in Johnstown! I have my Bachelor of Science in Education from Otterbein University and am also certified as a Reading Specialist. My husband and I have a second-grade daughter, Emma, and a three-year-old son named Cael. Our family recently moved from Johnstown to Pataskala.

During the first week of school, we will focus on learning routines and rules, as well as establish a classroom community. I will send home a more detailed newsletter explaining procedures and classroom expectations during the first week of school. Please feel free to contact me with any questions or concerns throughout the school year. I look forward to working with your child and family!

Sincerely,
Mrs. Danielle Housler
