

# GETTING STARTED WITH YOUR DEVICE

**Step 1** - From the sign in screen you can click ctrl, alt, del to get to the sign in screen

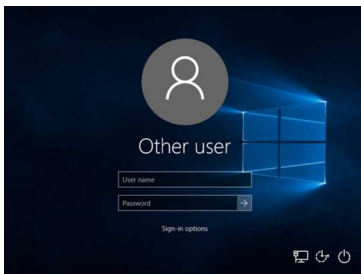

**Step 2** - In the bottom left hand corner please click on “Other user” to sign in with the student account given with your laptop.

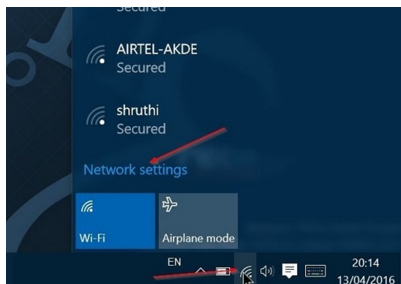

**Step 3** – Sign in with student account

Username – **Student**

Password – **Johnstown2020!**

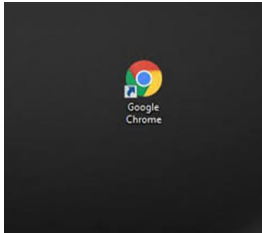

**Step 4** – Once you are signed into your laptop please look to the bottom right hand corner for your wifi signal.

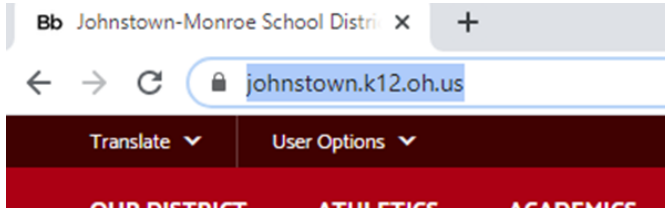

Please click on the signal bars and connect the laptop to your home wireless service.

# HOW TO FIND YOUR TEACHER'S WEBSITE

**Step 1**—Open a Web Browser—Either Firefox or Google Chrome

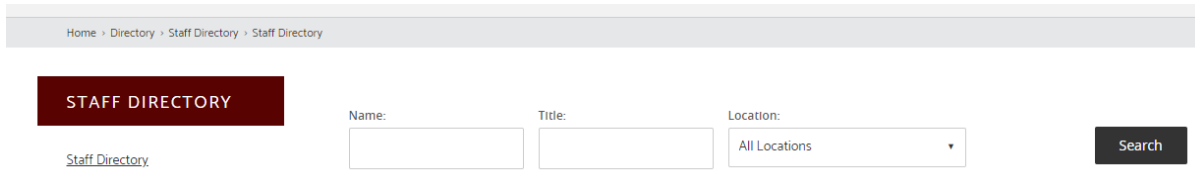

**Step 2** -Type www.johnstown.k12.oh.us into address bar

**Step 3**—From the main website navigate to Directory

**Step 4**—Once on the Directory page enter your teacher's name and then click search

Once you have located your teacher, click on the link on the side of their profile picture that says view website

**If you have any issues with your laptop please email [JMSDTechnology@jmk12.org](mailto:JMSDTechnology@jmk12.org)**
