Snow Removal Specifications

Revised 3/29/2019

1. Snow to be removed when snow accumulates 2" minimum or at the request of administration. Sidewalks to be cleared even with only a dusting of snow.
2. Salting to be done after each plowing is complete.
3. Snow to be cleared by 6:00 a.m. before the starting of school or before events with follow-up afterward if needed. This includes evening and weekend events. Secondary schools should be cleared first and primary cleared second.
4. Salt to be applied during icy conditions by 6:00 a.m. or at administration request.
5. Snow must not be piled in front of doorways, fire exits, fire plugs or dumpsters.
6. Snow is to be pushed away from sidewalks and buildings.
7. In case of extreme accumulation, large piles of snow need to be removed away from buildings.
8. Quote should include a separate cost for each school building and Board Office, with the cost of each identified separately. Costs for sidewalk clearing should be separated. Separate quotes should be submitted for playground area at Johnstown Elementary. These areas to be done at request of administration.
